REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

In view of the timely submitted affidavit by Mr. Chaiko, an inventor of the prior art reference, pending claims are passed to issue.

The affidavit submitted discloses differences between the process of the present invention and the prior art of the prior art and clearly explains why it would not be possible for the process of the prior art to obtain submonomolecular layer of adsorbed polymer on the clay platelets.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
